BLOOD DRIVE SCHEDULED

The Red Cross will conduct a blood drive on campus April 5, from 10 a.m. to 4 p.m. in the Student Union Lounge. To help expedite the process, please make an appointment with Cisco Roman in the Student Bank, Joanne Jones in HMB, Joe Martin in the Physical Plant and Connie Simmons at MSSD.

Remember your donation insures you or any member of your family in the event that you should need blood. In addition, if we meet our quota, as we have done in the past, this protection will extend to the entire campus community regardless or whether you personally donate blood. If you need blood, please contact Marian Dickson at 543. She will make the necessary arrangements with the Red Cross to replenish your hospital blood bank.

Giving blood is painless and safe. If you are able to give, please do.

NEED HELP WITH YOUR TAXES

If you are hearing impaired and need assistance preparing your income tax returns, you can now call the IRS via TTY. The number is (703) 557-7366.

Need additional tax forms? Federal and local forms can be picked up from General Services in College Hall.

LIONS CLUB MAKES FILMS AVAILABLE

A gift of $675 to Gallaudet College by the Southgate Lions Club of Camp Springs, Maryland, has made it possible for the College to purchase newsreel films of the 1930s. These films are valuable resources for the history and sociology departments. Depicting events as they actually occurred, they will be captioned for classroom and reference use.

The presentation was made to Harold Domich, who spoke to the South Gate Club on the subject of deafness and the role of Gallaudet College.
